

# PROJET DE L'ANNEE

## VOYAGE

### Quelques explications

Chers parents,

voici un classeur où vous allez retrouver des éléments de notre thème de l'année : le voyage. Bien sûr, ce classeur n'est pas exhaustif mais il est en lien avec un album étudié en classe Le loup qui voulait faire le tour du monde.

Dans ce classeur, vous trouverez des photographies de différents lieux, monuments et/ou éléments attachés aux villes, pays et régions du monde découverts en classe. Chaque élève a participé à son niveau à la réalisation de ce classeur que ce soit en lien avec l'écriture, le graphisme, la reconnaissance des mots et des lettres, la motricité fine ou le domaine de la construction du nombre.

Nous vous demandons de regarder ce classeur avec votre enfant pour reparler de ce que nous avons découvert en classe. Mais le voyage est un thème tellement riche que vous pourrez voyager avec votre enfant en préparant des recettes d'autres pays du monde, en lui montrant des souvenirs que vous (ou d'autres personnes de votre entourage) avez rapporté d'un « voyage ». Il n'est pas utile de partir loin pour découvrir et faire découvrir quelque chose de nouveau à votre enfant. De même, vous connaissez sûrement quelques mots anglais, allemands, italiens, espagnols... ou du patois berrichon... Bref, le voyage n'est pas que visuel.

Je vous demande de bien vouloir rapporter ce classeur au maximum 2 jours après son prêt (en y faisant très attention) et de bien vouloir signer dans le tableau au verso de cette feuille afin que toutes les familles puissent voir ce classeur sans en oublier une seule.

Je vous précise enfin que ce travail sera aussi visible sur le blog de l'école à l'adresse suivante :
